- 3.2.5. Providing it is lawful and practical, We will give you the option of not identifying yourself, using a pseudonym, or not providing Personal Information when you enter into a transaction or deal with Us.
- 3.2.6. If you elect not to provide Us with Personal Information then We may not be able to provide you with the information, products, services or support that you may want.
- 3.2.7. We may receive other unsolicited Personal Information in the course of Our business. We will deal with this unsolicited Personal Information in accordance with the Privacy Act 1988 (Cth).

4. The Purposes for which We use Personal Information

4.1. We collect, hold, use and disclose Personal Information for the following purposes:

- 4.1.1. pursuing Our business activities and functions;
- 4.1.2. providing our machinery;
- 4.1.3. allowing the technical support personnel to provide assistance to you (or your employer), if needed;
- 4.1.4. facilitating transactions between you (or other people who you are acting for) and Us or between you (or other people who you are acting for) and other people and organisations who are accessible via Our website or other electronic means;
- 4.1.5. performing any of the features on Our website, e.g. conducting surveys, market research, mail outs, competitions, using social media or providing information online;
- 4.1.6. conducting surveys, market research, mail and competitions offline;
- 4.1.7. direct marketing;
- 4.1.8. improving the quality of Our website and Our products and services;
- 4.1.9. developing or adding additional products and services from Us or existing or new people and organisations that are accessible via Our website;
- 4.1.10. training and quality assurance purposes;
- 4.1.11. administrative purposes;
- 4.1.12. allowing the technical support personnel to manage Our infrastructure, systems, databases other applications or tools;
- 4.1.13. statistical analysis of the usage of Our website or applications or tools that are accessed via the website;
- 4.1.14. Complying with the law, including privacy legislation.

- 4.2.** We do not provide Personal Information to third parties except as in accordance with this Privacy Policy, any agreement We have with you or as required by law.
- 4.3.** If you have given Us your consent to provide you with direct marketing communications We may collect, hold, use and disclose Personal Information in accordance with that consent to enable Us to provide you (or other people who you are acting for) information about, and offer you (or other people who you are acting for), products and services.
- 4.4.** If you give Us consent to provide you with direct marketing communications We will provide a simple means where you can request not to receive direct marketing communications. You may also request that we do not provide your Personal Information to any of Our suppliers or business associates in order for them to provide you with direct marketing communications. If We use a third-party source to obtain Personal Information about you for the purpose of direct marketing to you, you may request that We disclose the source of that information. We will respond to any request made under this clause within a reasonable period and at no cost to you.
- 4.5.** You consent to Us using any Personal Information that We collect for any one of the purposes in this Privacy Policy for any of the other purpose stated in this Privacy Policy other than direct marketing. We will seek specific consent to use Personal Information for direct marketing purposes.

5. Disclosure of the Personal Information Overseas

- 5.1.** We may send Personal Information overseas in the following circumstances:
- 5.1.1. where We have a trading entity, related or affiliated company assisting Us with Our business activities and functions;
 - 5.1.2. where We have a supplier assisting us with providing assistance with Our business activities and functions. We have no control over where these suppliers hold or process their data and it is impractical for Us to be able to advise you of the countries where the Personal Information may be held or processed;
 - 5.1.3. where you are using Our software as a service offering that is integrated with the NetSuite Inc software as a service offering, Personal Information is stored, processed, managed and handled via an application and database that is owned or controlled by NetSuite Inc, or its Affiliates or their respective contractors. We have no control over where they host their application or database and/or the back-up/disaster recovery sites and it is impractical for Us to be able to advise you of the countries where the Personal Information may be held or processed;
 - 5.1.4. where Our website, or any hosting service We use to support Our managed services, software or software as a service, is hosted by Us or a third party, and the hosting facilities and/or the back-up/disaster recovery sites are located overseas. We have no control over where these third party providers host the website and it is impractical for Us to be able to advise you of the countries where the Personal Information may be held or processed.

5.1.5. where a third party application is being used in connection with Our interactions with you, e.g. when We use email or Skype, the third party providers of the relevant application have their applications hosted overseas. We have no control over where these third party providers host their applications and it is impractical for Us to be able to advise you of the countries where the Personal Information may be held or processed.

5.2. The countries to which We know the Personal Information may be sent include:

5.2.1. New Zealand

6. Use of Social Media

Our website uses social media includes blogs, Twitter feeds, and links to other social media, including Facebook, Linked In, Twitter, Pinterest etc. The nature of social media is that these applications actively enable exchange and disclosure of any information, whether personal or otherwise, that is included within those applications. All information, including Personal Information that you enter in those applications may be used, stored, handled and disclosed in any way that is consistent with the privacy policies of the relevant applications, if any. All information that is posted in a blog, twitter feed or other social media in connection with the website should be considered as public information that may be used, copied and adapted by any person for any means and should not be posted unless you are prepared to specifically state what restrictions on use there may be with that information or are prepared to accept that it may be used, copied, adapted, stored, handled and disclosed to any other person in any way.

7. Cookies, Metadata and Site Data Activity

7.1. A cookie is a small piece of computer code which remains on your computer and contains information which helps Us identify your browser.

7.2. When you visit Our website and applications and tools on it, the cookie records the authentication to allow your user id to login. We use the information gathered by cookies to identify your web browser so that when you log in on the next occasion your use of the website and other applications and tools on it is easier and faster because the website has remembered your details.

7.3. If you do not want Us to use cookies then you can easily stop them, or be notified when they are being used, by adopting the appropriate settings on your browser. If you do not allow cookies to be used some or all of the website or other applications or tools on it might not be accessible to you.

7.4. Sometimes information that you upload is provided with associated metadata. If you do not want Us to use the metadata you must remove it before uploading it onto the website and other applications and tools.

7.5. We may collect data that is associated with your visit, including the pages you visit, the activities you do, the preferences you make, the applications and tools you use and the purchases you make and the competitions you enter etc. We may also collect information relating to the computer, mobile phone or other device including the device type, the browser, location, IP address and search words used. We may collect, use, disclose and store this information in any of the ways set out in this Privacy Policy.

8. Links to other Websites and Applications

Our website includes links to other websites, applications and tools that are not owned or operated by Us. We not responsible for the content of those websites, applications or tools, nor for any products, services or information contained in them or offered through them. You should review the privacy policies and terms and conditions of use of those websites, applications and tools when you visit them. We do not endorse, recommend, condone or represent the companies or any content on any third party linked website and may terminate the link or linking program at any time.

9. How to Access and Seek Correction of Your Personal Information or Complain

9.1. If you want to find out what Personal Information We hold on you or you believe any of your Personal Information that is held by Us is inaccurate, out of date, incomplete, irrelevant or misleading or it is not necessary for Us to continue to hold it, you can contact Us, and We will either provide you with access to the Personal Information (in so far as We are required to do so by law,) or We will correct it, as applicable, within a reasonable period. We may make a reasonable charge for giving you access to your Personal Information, but We will not charge for you making the request, correcting Personal Information or making a statement as to why We are not correcting your Personal Information. You can contact Us by:

- 9.1.1. email at the following email address marketing@headland.com.au; or
- 9.1.2. using the contact Us webform on Our websites; <http://www.headland.au/>.

9.2. If you wish to complain about a breach of any Australian Privacy Principle that binds Us, a registered privacy code that binds Us or this Privacy Policy you should contact Us by:

- 9.2.1. email at the following email address marketing@headland.com.au; or
- 9.2.2. using the contact Us webform on Our website.

9.3. We will use Our best efforts to respond to any complaint within 5 business days of the date of receipt. We will attempt to resolve your complaint to your satisfaction. If you are not satisfied with how We deal with your complaint you may contact the Australian Information Commissioner, whose contact details can be found at <http://www.oaic.gov.au/>.
